### ***Teacher and Staff Appreciation Week***

We appreciate teachers and staff year-round for all their hard work, and in May, Teacher Appreciation/Staff Appreciation Week gives us a chance to celebrate them and show educators how much we value them! If you can, take a moment during the week to tell them just how much that means to you and your child. Teachers have a lasting and positive effect on their students not just for the time they are here with us but for their entire lives.

### ***6th Grade Awards Ceremony***

The sixth grade awards ceremony will be held on Tuesday June 3rd, 2025 at 10:00 am in the Ross Elementary Gym. Each 6th grade student may invite 4 guests to attend the ceremony. Our sixth grade students will be recognized for their many outstanding achievements, growth and progress during their time at Ross Elementary. Please look for more information coming home soon.
