

A GREAT KNIGHT- HOME VISIT

What is the “Great Knight” award?

-An award that may be given for a variety of reasons; improvement, growth, academics, citizenship, behavior or something that may not even be listed here! The awards include the following; the nomination form, a certificate, t-shirt, yard sign, balloons, sticker, photo and a special visit from the Lake-Lehman Knight mascot!

Who is on the Great Knight team?

-The team includes classroom teachers, special area teachers, paraeducators, school counselor, SRO, principal.....really anyone in our school who can provide input on a student may contribute!

When are students recognized for the Great Knight award?

-Students are nominated during the 2nd, 3rd, and 4th marking periods. At least three students will be selected each marking period. Students are recognized at an outdoor home visit on in-service days.

Do students really receive the awards at their HOME?

-Yes they do! That is the best part! We visit with a police car (our SRO) leading the way, accompanied by two school vans full of faculty/staff! And on top of all that, we keep it a SECRET from the child!

Why do we do this?

-We do this because it is a creative and motivational way to recognize students for their excellent work and achievements! In addition, it's a unique opportunity to create better relationships with students and their families.
