ARP ESSER Plan

Federal Programs

ARP ESSER money was allocated to the district and the following needs were identified by platform surveys, access to technology, Health and Safety Plan survey, local assessments, Dibels, F&P results, teacher feedback, board comments, and parent emails.

The following expenditures resulted in the data collection highlighting the greatest need to be in the offering of equitable resources across education platforms:

ESSER I In-house cyber teachers

ESSER II In-house cyber teachers, Chromebooks, and Smartboards

Tentative ESSER III Nursing staff, in-house cyber expenses, quarantine liaison, reading supports, and after school tutoring expenses (application due for submission March 1st)

Comments, questions, or additional needs can be sent to bednarekl@llsd.org
