Dear Lake-Lehman Families,

Online/Virtual Platforms

During this difficult time, the Lake-Lehman School District is committed to making a good faith effort to provide continuity of education that is appropriate and reasonable for students while our school district is closed due to COVID-19.

The past few weeks Special Education teachers and related service providers have been reaching out to families to communicate the plans and to gauge your level of access as it relates to technology.

To that end, Lake-Lehman School District has a level of expectation when utilizing online/virtual platforms. We expect that all families will review and implement the following guidelines and expectations to ensure the confidentiality rights of all students are protected during instructional methodologies which will include group communications, and/or video conferencing.

1. Neither Lake-Lehman School District nor parent shall make or maintain recordings of the content or classroom activity or other group communication that is conveyed via the virtual attendance services. Students will not be recorded.
2. Parents shall make every effort to ensure that no one other than the student scheduled to participate in a virtual attendance service can see or hear the virtual attendance service.
3. If parental or other third-party involvement in a virtual attendance service is necessary to enable a student to participate, the individual assisting the student shall not re-disclose any personally identifiable information about any student involved in the virtual attendance activity.

Hope your families stay safe and healthy!

Sincerely,

Tina Antonello-Portee
Director of Special Education
