### Cross Country

Olivia Corcoran, the only LLXC state-qualifier runs a 21:14 in the AA girls' championship race. This time scored Olivia 82nd place! Congratulations to Olivia on a great xc season.

### Girls' Volleyball

Girls' volleyball lost to Holy Redeemer 3-0 in the District semi-final. They beat Elk Lake in the quarterfinals.

### Boys' Soccer

Our boys lost to rivals Holy Redeemer 1-0 in the district semi-final. They split with the Royals during the regular season.

### Field Hockey

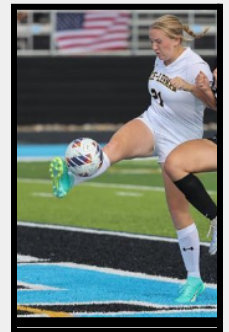

The Lady Knights ended their season with a loss to Lackawanna Trail, 2-1. They finished the season third in 1A-- Wyoming Valley Conference.

## Athletics

Lucy Honeywell, Senior

### Girls' Soccer

Girls' soccer lost in the district semi-final to Scranton Prep in an overtime thriller, 2-1.

### Football

Football ended their season with the best game of the season. They lost 21-16 to #2 Western Wayne. They put together some great drives and Ben Dowling caused a safety and scored both touchdowns.

### Golf

The team had two state finalists, Michael Lugiano and Cael Ropeitski, who tied for second place in the state championship.

## Band Marches on into “The Grey Mist” at ACCs

On Saturday November 4, The Lake-Lehman Band’s season culminated their season by competing in the Atlantic Coast championship competition in Hershey PA. The Knights performed their unique and original show entitled “In the Grey Mist”. The band placed seventh overall! It was a successful season and deserving of applause, applause, applause; so says Lady Gaga.

FBLA State Leadership Workout at Kalahari Resorts

### Knightlife Bloomsburg Trip

On Thursday 11/2, 5 members of Knightlife Newspaper competed in the PSPA North East Region Student Journalism Conference. Our members competed to qualify for the statewide competition in April. Mollie Kuhar, our Head of Format and Design, has already qualified in the category of Newspaper Editorial Cartoon. The rest of the members who competed will find out in January. After the competition, we had the privilege of listening to a Keynote presentation by Julie Sidoni of WVIA from the front row. We then got an all you can eat lunch from the massive cafeteria and a tour of campus that included a stop at "The Voice" campus headquarters. We hope to return to the conference next year to compete again!

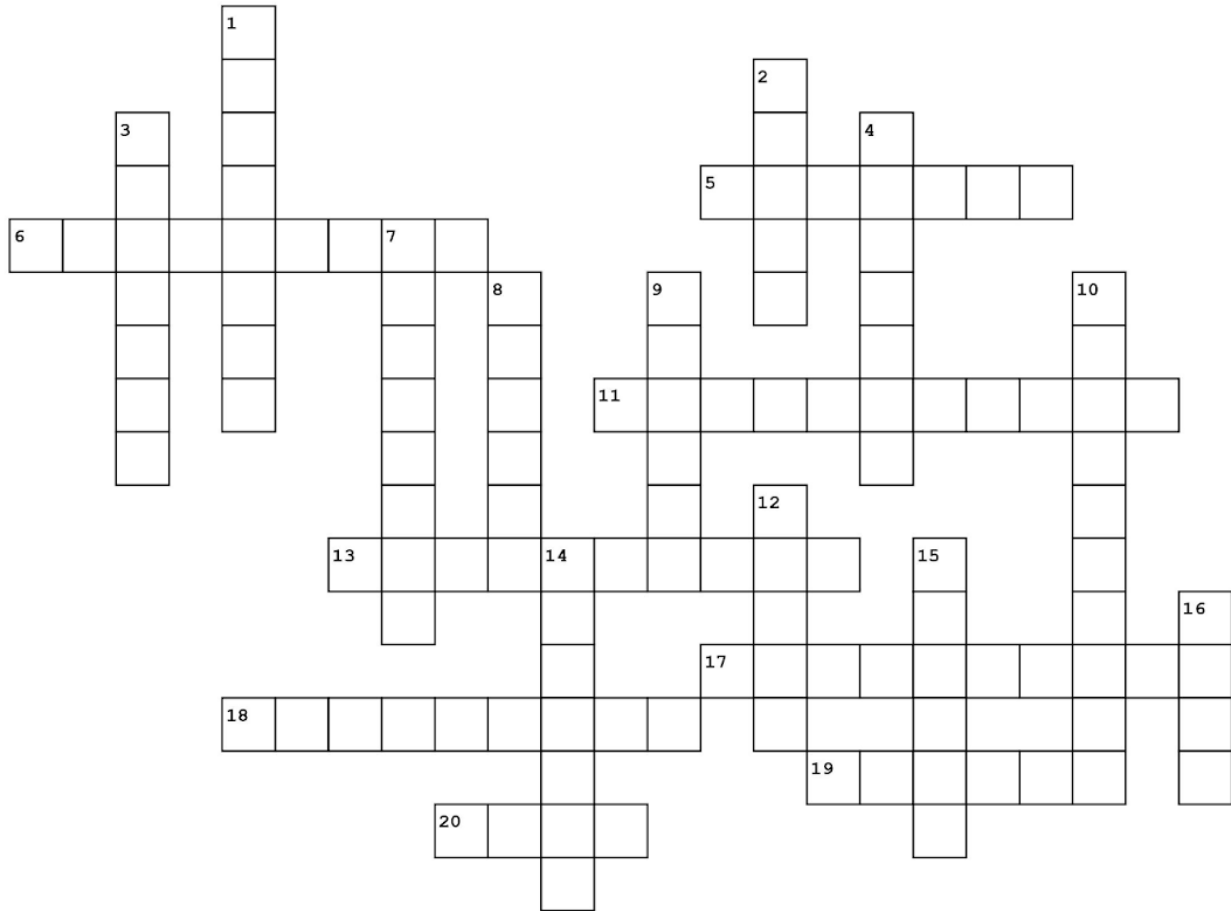

### Interact Club October Events

## The Eras Tour VS The Eras Tour Movie

Mollie Kuhar, Junior

On March 18, 2023 Taylor Swift: The Eras Tour began. In late August the US leg of the tour concluded in Los Angeles. Swift and a film crew recorded the concert as a concert film, and it premiered in theaters on October 13. Several students of Lake Lehman saw both the concert and film, while others saw only one. Two students, Sarah Walp and Grace Martin were interviewed about their different opinions. When asked about their favorite parts, Martin said either the 1989 or Reputation acts. Walp states that her favorite part was the emotions she felt during the concert, and then experiencing them all over again in theaters. Walp also mentioned how it was amazing to see all the stage graphics and dancers up close, something she was unable to see during the concert. Grace Martin said that although she can re-watch the film anytime, she would still love to see her live in concert. Walp agreed with this statement voicing her opinion that she would see Swift live in concert even after watching the movie “a hundred times”. Although both experiences are extremely different it is important to understand that a film concert will probably never combat with seeing a performance live. Yet, for those unable to go to the concert the film is an amazing and exciting new way to experience it. And, for those who saw Swift live it is a memoriam for them to look back upon.
