ASSIGNMENT TO NEXT GRADE LEVEL (2025-26)

Student assignment/placement in a classroom is a carefully planned process. Students are assigned/placed according to several criteria. Our goal is that parents would have confidence that a rigorous academic program in a respectful environment is delivered in each classroom.

If there is a reasonable reason for **NOT** wanting a particular placement in advance, a written email/letter to the principal detailing the concern ***must be received no later than July 1, 2025.*** Please know that a letter only guarantees consideration, it does not guarantee a placement. Phone calls asking for a particular placement will not be considered.

****In addition, general requests for wanting particular teachers will not be considered.*** Your cooperation regarding this matter is greatly appreciated!
